

Every year in Cornwall alone, more than 500 children experience the death of an immediate family member.

Penhaligon's Friends aims to enable the community to better understand and support the bereaved child.

We achieve this by providing support, information, literature and training.

Memory Days are held 4 times each year for children and their carers to explore their grief together.

We run 2 Family Groups and 4 Teens Groups every month.

We provide family visits, telephone support, 1-1 support, volunteer and professional training.
