Charitable Incorporated Organisation no. 1189323

*Penhaligon's friends are doing such great things supporting bereaved children and young people. This is a local charity on the doorstep of our bakery cafe in Pool and we have supported them with bread for events throughout the years. This year we want to focus all our efforts on raising money that could make a difference to a young person's life and we are looking forward to helping Penhaligon's Friends in any way we can*
