PROGRAMME

Session 1

- Introduction
- Memory Day activities

Session 2

- Working with 4-7yrs
- Working with 8-12yrs

Session 3

- Suicide & Traumatic Death

Session 4

- Working with Teenagers
- What next? Projects & Endings

This course uses a wide range of activities and you will create your own toolbox or resources to use with bereaved children.

The course will explore your own grief experiences and you will be asked to write a reflective journal.

COURSE AIMS

- Provide knowledge, skills and tools to facilitate childhood loss.
- Create personal resources to use with a bereaved young person.

LEARNING OUTCOMES

- An understanding of creative and therapeutic activities that can be used with young people
- A deeper understanding and awareness of participants own grief
