This annual training day provides school staff with a basic understanding of childhood bereavement & loss, and guidance on how to support children following a death. The day also provides guidance on managing a critical incident and preparing for difficult events such as the death of a member of the school community.

The training is held within the beautiful setting of The Alverton Hotel and a light lunch is provided. The feedback from delegates each year continues to be very positive. Delegates are provided with a copy of our publication for schools 'Remember Me'.
