4-DAY TRAINING

COMPREHENSIVE UNDERSTANDING OF CHILDHOOD LOSS AND GRIEF

By the end of the 4-day course, you will:

- Have sound knowledge, skills and tools to help facilitate childhood loss and grief.
- Have knowledge and an understanding of grief theories and how they apply to children and young people who are bereaved.
- Have wider knowledge of how young people usually grieve at different ages and different cognitive stages of development and the impact it may have on them and their families.
- Have a wider understanding of what can help a bereaved young person and what can complicate grief.
- Understand what traumatic grief is and what can help.
- Gain knowledge to help support children and young people who are anticipating a bereavement.
- Have a toolbox of creative and therapeutic activities that can be used with a bereaved young person to help them with their grief journey and help the young person understand what they are experiencing.
